## How Fat Folks May Become Slim

To be overweight, is humiliating. Style and fat folks are strangers. Therefore, people who are carrying around a burden of unhealthy and unsightly fat will be glad to know how they may reduce their weight without starvation diet or tiresome exercises. If you want to get rid of superfluous fat in a simple, safe and reliable way here is a test worth trying. Spend some time in the open air, practice deep breathing and get from any good druggist a box of oil of korein capsules; take one after each meal and one before retiring at night, also follow the other simple directions that come with the box. Weigh yourself once a week so as to know just how fast you are losing weight, and don't leave off the treatment, or even skip a single dose, until you are down to normal weight, so that you feel and look wonderfully younger and healthier. Every person who is too fat should give this treatment a trial. You will probably find it is just what you need. Amaze your friends!—Advertisement.

## STATE MUST PAY ALL THE DAMAGES

Holding that responsibility for damages, if any, lies with the state of Wyoming under its workman's compensation law, the Central Coal and Coke company has filed an answer to the suit started in the Second district court by Dan B. Bozo, a miner, to recover \$20,000. In the complaint which he filed recently, Bozo avers that he suffered permanent personal injuries when he was caught under a fall of rock in the company's mine at Rock Springs, Wyo.

In its answer to the complaint the company contends that under the provisions of the compensation law effective in Wyoming it has regularly deposited with the state treasurer two per cent of the amount of its payroll. This fund, according to the answer, is to compensate when who may suffer injuries while employed in hazardous occupations and it holds that the state is therefore responsible for any damages in the Bozo case.

## FOUR DAYS WILL BE CELEBRATED IN HUNTSVILLE

Through the nature gateway formed by Ogden canyon, hundreds of former residents of Ogden valley will pour into Huntsville and other towns of the prosperous community for the four-day home-coming celebration to be held in Huntsville, starting Sunday morning. Combined with the home-coming events will be an observance of Independence day on Wednesday with a patriotic public meeting at which Apostle David O. McKay will be the principal speaker.

Huntsville claims the distinction of having been the first community of the state to establish a free public school and this will receive due notice when, on Monday afternoon, there will be unveiled in the Huntsville school grounds a monument of native stone to the memory of Mary Jane Dilworth Hammond, the first school teacher of the state. At least three of Mrs. Hammond's original seven pupils who attended class sessions in a tent school at Salt Lake will be present to take part in the unveiling exercises.

The past and present of Huntsville and Ogden valley will be reviewed by "home-coming" and citizens of the community in exercises to be held on Tuesday. The day's program also includes an automobile sightseeing trip throughout the valley. The patriotic meeting in the morning and sports during the afternoon comprise the program for Wednesday.
